

Invitational Golf Classic To Support First Steps Wellness Centre

August 27, 2025
Kingswood Golf & Country Club

We are excited to present you with an invitation to the 3rd Annual Rolling Fore First Steps Invitational Golf Classic. All proceeds from this event will be supporting the **First Steps Wellness Centre** here in Winnipeg.

First Steps Wellness Centre believes that each individual has a potential to recover lost function. FSWC opened its doors in Saskatchewan in 2010 and Winnipeg in 2019, and has become the leading facility in Canada for spinal cord injury in neurorehabilitation.

We provide activity-based therapy (ABT) for people with spinal cord injuries and associated disorders. ABT helps to promote neuroplasticity and nerve regeneration below the level of injury. FSWC exists to fill the gap in community based intensive ABT for individuals with spinal cord injuries and other associated disorders.

Your attendance and/or sponsorship will go a long way to allow FSWC to continue providing these services to our community. Our healthcare system does not provide funding or assistance to individuals who require this therapy, and without FSWC these essential services would not be available.

The enclosed sponsorship package will outline various levels of participation. If you have any questions, please contact us at FSWCGolfTourney@gmail.com.

Come join the fun and support our local First Steps Wellness Centre.

Sincerely,

Rolling Fore First Steps Tournament Coordinators
